CAPTAIN WHITE'S REPORT.

HEADQUARTERS UNDERWRITERS' FIRE PATROL,

SAN FRANCISCO, January 1st, 1884.

To the President and Board of Directors of the Underwriters' Fire Patrol of San Francisco.

GENTLEMEN:—I have the honor to submit herewith my ANNUAL REPORT for the year ending December 31st, 1883, together with a statement of the condition of the Patrol force and its labors to the present date, including the number of alarms attended, location of same, covers spread, time of service, and the cause of all fires as far as could be ascertained.

The Patrol has responded with usual promptness to all calls which have been made upon same, and proved worthy of the position it holds. The invariable readiness to submit to all requirements made by the Directors, or officers in charge, for the good of the service, and the safety of the property intrusted to their care, is satisfactory evidence of the reasonableness of the requirements, and of the intelligence and good character of the men on the force. The horses, wagons, covers, and all other paraphernalia connected with the Patrol are in the best possible condition for immediate use.

There have been important changes in electrical appliances at both stations, which have proved of great benefit in answering alarms, and the Patrol is now well equipped for the purposes intended.

I am pleased to report that the physique and character of the men on the force has not been deteriorated on account of changes made during the year; the present members of the Patrol force are well versed and have always intelligently performed the duties assigned to them. It again affords me great pleasure to state that the best of feeling still exists between the officers and members of the Fire Department and Patrol, each helping the other at times, and not a single case has been reported wherein any member of either department has conducted himself unbecoming a gentleman.

I regret very much to report that we have had several severe accidents to members of the force during the year. The one most noticeable was on April 3d, in the basement of the Palace Hotel, where an explosion of gas severely burned some twenty-eight persons, including six members of the Fire Department and seven of the Patrol. The facts in the case are as follows:

On April 3d, at 1.53 P. M., a citizen gave the Patrol a still alarm; said there was a fire in the basement of the Palace Hotel. The Patrol responded to the call, and on arrival found an employee of the Central Gas Company

trying to extinguish a fire near the meter. He informed me that he was making repairs, and a slight explosion had occurred, but that the gas had been shut off. At that time the Fire Department had received the alarm, and some fifteen or twenty of its members had arrived in the basement, among whom was District Engineer Ross, who immediately took charge. Capt. Ross and myself proceeded to locate the fire. We advanced ten or twelve feet into the room under the sidewalk, when an explosion took place which shook the very foundation of the hotel and severely burned some twenty-eight persons. Capt. Ross was injured to such an extent that he died the next day. The following-named members of the Patrol force were badly burned and incapacitated for duty for weeks, viz: E. I. Drew, R. S. Chapman, Geo. B. Larose, J. F. McCormack, J. Ford, G. W. Harrison and myself.

At a fire on Dupont street substitute Frank Murray was badly cut on the hand and arm with glass while trying to force open a door.

Many thanks are due to the President and the Directors for the prompt manner in which they have responded to all requisitions made, all needed appliances having been promptly furnished by them, thus enabling the Patrol to insure the desired perfection. Again I wish to thank the Board of Directors for the confidence which has been placed in me as chief officer, hoping I have complied with the views of the Board and carried out to the fullest extent all rules and orders issued by them and to their entire satisfaction. And to the Hon. Board of Fire Commissioners and to Chief of Fire Department David Scannell, Esq., I wish to extend thanks, and Assistant Chief, James Riley; also Engineers Geo. Kennard, Gus Imbrie, John McCarty and Thomas Sands, and all officers and members of the Fire Department for favors received at their hands. I am also very much indebted to Fire Marshal John L. Durkee, Esq., and his deputy, for various kindly attentions; also to John Curran, Esq., Superintendent of Fire Alarm and Police Telegraph and his efficient force, for valuable services rendered.

Before closing, allow me to thank the Board of Police Commissioners, Chief Crowley, and all officers and members of the Police force for uniform courtesy at all times; to all others who have lent a helping hand, thanks!

Yours respectfully, etc.,

RUSSELL WHITE,

Captain Underwriters' Fire Patrol of San Francisco.
